Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Placing material call-offs with contract suppliers in accordance with specifications
- Carrying out the goods-in inspection (documents and goods)
- Storing goods upon receipt of the order
- Preparing goods in accordance with the order
- Recording of material movements and ensuring traceability
- Complying with hygiene, cleaning and safety guidelines
- Monitoring stock turnover (FIFO)
- Assisting with stock checks and stock-taking
- Assisting with stock planning at the site

What you bring with you

- Completed training as a logistics specialist or warehouse operator, or several years' professional experience in the logistics sector
- Good organisational skills and a strong sense of responsibility
- Ability to work as part of a team, reliability and the ability to work independently
- Knowledge of tools and spare parts
- Good knowledge of SAP and general computer skills
- Knowledge of German and French
- A forklift licence would be an advantage

What we offer

Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
