

Production Worker (Male/Female) – Processing – 100%

The processing department is responsible for ensuring that our poultry products are processed on time and to the highest quality standards. The aim is to ensure that production runs smoothly. Your key responsibilities will include the professional processing and handling of poultry, compliance with quality and hygiene standards, and the careful monitoring of production processes. You are committed, solution-oriented and able to keep a clear head even in hectic situations. Do you enjoy varied tasks in a dynamic environment and working as part of a team? Then you are exactly the right person to join our processing team.

What we offer

Work-life balance
A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering
Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility
Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities
Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
