Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- You install new components or carry out modifications to equipment, machinery and plant.
- You'll also keep an eye on maintenance schedules and carry out preventative maintenance.
- Should anything ever break down, you'll be on hand to repair the relevant part, thereby making a vital contribution to the availability of the plant.

What you bring with you

- Completed technical training as a mechatronics technician and/or electrician
- Ideally, you have already successfully applied your knowledge in a practical setting
- A plus, but not essential: knowledge of pneumatics and hydraulics

What we offer

Catering
Catering is very important to us: you can enjoy freshly prepared food as well as high-quality products at greatly reduced prices in our canteen and at 'Hubers Genusswelt'.

Mobility
For those who prefer to travel by car, we offer ample parking spaces and/or our own multi-storey car park.
