Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Operation and maintenance of refrigeration systems
- Carrying out maintenance and servicing tasks
- Identifying and rectifying faults
- Safety and functional checks
- Participation in on-call duty (including additional remuneration)

What you bring with you

- Completed vocational training as a mechatronics technician specialising in refrigeration technology, or as a refrigeration engineer, including a refrigeration certificate, or a comparable qualification
- Relevant professional experience would be an advantage
- Good IT skills
- Ability to work independently, with a focus on service and customer care
- Category B driving licence

What we offer

Catering

Catering is very important to us: you can enjoy freshly prepared food as well as high-quality products at greatly reduced prices in our canteen and at 'Hubers Genusswelt'.

Mobility

For those who prefer to travel by car, we offer ample parking spaces and/or our own multi-storey car park.
