Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Team & Responsibilities: You will support and stand in for the team leader, gradually developing your leadership skills.
- Keeping an eye on everything: You'll coordinate staff, maintenance, repairs, projects and external partners.
- Keeping the equipment running: In the event of faults or repairs, you and your team are on hand to find solutions that promote sustainability.
- Making things better: You'll identify areas for improvement and contribute your ideas regarding equipment, maintenance and processes.
- Helping to shape the future: Your expertise is in demand for refurbishments, new plant and technical projects.
- Digital & safe: You'll work with SAP and, together with the team, ensure compliance with our safety, hygiene and operational guidelines.

What you bring with you

- Technical EFZ qualification in mechanics or a comparable qualification
- Experience in plant maintenance or industrial maintenance
- A passion for technology and a genuine desire to solve problems
- Some management experience or a desire to develop your management skills
- Initiative, team spirit and a sense of responsibility
- An interest in modern technology, automation and new solutions
- Knowledge of SAP and IT would be an advantage
- Very good command of German
- Willingness to work with meat and meat products, as well as to be on call

What we offer

Work-life balance
A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering
Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility
Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities
Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
