

Plant Mechanic (male or female)

Become part of a strong team – working with technology that inspires. As a plant mechanic with us, you'll play a key role in ensuring the smooth production of our diverse range of food products. Thanks to the size of our site and the wide range of equipment, you can look forward to an exciting and varied working day that requires a great deal of technical expertise. In our well-equipped workshop, you'll work as part of a motivated team with a strong sense of camaraderie – we place great importance on a collegial and supportive working environment.

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Troubleshooting faults in machinery and plant
- Carrying out maintenance, servicing and repairs
- Optimising and continuously improving plant
- Assisting with new installations and commissioning
- Ensuring operational safety and plant availability
- Analysing technical problems and implementing solutions with sustainability
- Working closely with Production, engineering and external partners

What you bring with you

- Completed basic mechanical training
- Knowledge of hydraulics, pneumatics and, ideally, TIG welding
- Confident use of tools and personal protective equipment
- Ability to work independently, reliably and as part of a team
- Willingness to work shifts and be on call

What we offer

Work-life balance
We offer 5.5 to 6 weeks' holiday, flexible working hours and predictable assignments (at least three weeks' advance notice). We also offer you the opportunity to buy additional holidays or work part-time. There are no company holidays – you plan your holiday individually with your line manager and team.

Catering
Catering is very important to us: enjoy discounts on your lunch in our break rooms, free fruit and promotions such as free chestnuts, ice cream or smoothies. High-quality products at greatly reduced prices are available in our outlet.

Mobility
Benefit from ideal public transport connections (bus stop in front of Hilcona), attractive ticket subsidies, ample parking for cars, e-bikes and scooters as well as a tool station for bicycle repairs – for sustainable and carefree travelling.

Professional development opportunities
Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
