You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Supports the manager in the day-to-day running of the department and in achieving its objectives
- Act as stand-in for the department manager in their absence
- Check, monitor and update the department's key data, in particular recipes and time-management data
- Ensure the optimal use of materials and raw ingredients in accordance with recipes and specifications
- Monitors and maintains the department's specifications and quality standards
- Oversee and manage the procurement of raw materials
- Ensures compliance with health and safety guidelines
- Collaborate with the various production sectors and, where necessary, assist in other roles as required

What you bring with you

- Basic vocational training, ideally in the food sector
- Experience in food production
- Training as a butcher or a background in the charcuterie sector would be an advantage
- Experience in leading or managing a team
- Proficiency with IT tools and an interest in monitoring production data
- Good organisational skills, attention to detail and precision
- A hands-on leadership style and good interpersonal skills
- Independence, a sense of responsibility and the ability to make decisions
- Very good command of French

What we offer

Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
