

Industrial Electrician (male or female)

More than just electricity – here, you make a difference. As a plant electrician, you'll play a key role in our Production. You can expect state-of-the-art plant technology, varied challenges and a working day with a great deal of responsibility. Together with a well-coordinated team, you'll ensure that our Production runs smoothly – in an environment characterised by team spirit, mutual respect and solidarity.

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Ensuring the highest possible plant availability through maintenance and repair work
- In the event of faults affecting plant or operational equipment, ensuring rapid and efficient fault rectification and optimising existing plant
- Working closely with Production, engineering and external partners
- Supporting our Top-X activities

What you bring with you

- Completed basic training as an electrician or automation technician (EFZ)
- Several years' experience in maintenance work, as well as experience in small-scale projects
- Authorisation for in-house installations under Article 13 would be an advantage
- Confident use of work equipment and personal protective equipment
- Ability to work independently, reliably and as part of a team
- Willingness to undertake on-call duty, as well as occasional scheduled Saturday and Sunday cover (including public holidays) for inspection work, and shift work when covering for staff on holiday

What we offer

Work-life balance
We offer 5.5 to 6 weeks' holiday, flexible working hours and predictable assignments (at least three weeks' advance notice). We also offer you the opportunity to buy additional holidays or work part-time. There are no company holidays – you plan your holiday individually with your line manager and team.

Catering
Catering is very important to us: enjoy discounts on your lunch in our break rooms, free fruit and promotions such as free chestnuts, ice cream or smoothies. High-quality products at greatly reduced prices are available in our outlet.

Mobility
Enjoy excellent public transport links, with a bus stop right outside Hilcona, attractive subsidies for public transport tickets and plenty of parking spaces. To support sustainable mobility, there are also charging points for electric cars and e-bikes, parking spaces for e-bikes and scooters, and a tool station for minor bike repairs – so you can get about flexibly, sustainably and worry-free!

Professional development opportunities
Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
