

Demand / Supply / S&OP Planner

Give your career a new lease of life! In our dynamic environment, you can make full use of your analytical skills and, as a Demand Planner, take charge of forward-looking sales planning for our product ranges across various sales channels, right through to forecasting our ultra-fresh products on a daily basis. The focus of your role is on striking the optimal balance between customer satisfaction and minimising food waste. To achieve this, you'll work closely with our sales and supply chain teams. We're also keen to hear from candidates making a career change from the fields of supply chain or S&OP planning.

What we offer

Work-life balance

We offer 5,5 to 6 weeks' holiday, flexible working hours and predictable assignments (at least three weeks' advance notice). We also offer you the opportunity to buy additional holidays or work part-time. There are no company holidays – you plan your holiday individually with your line manager and team.

Catering

Catering is very important to us: enjoy discounts on your lunch in our break rooms, free fruit and promotions such as free chestnuts, ice cream or smoothies. High-quality products at greatly reduced prices are available in our outlet.

Mobility

Benefit from ideal public transport connections (bus stop in front of Hilcona), attractive ticket subsidies, ample parking for cars, e-bikes and scooters as well as a tool station for bicycle repairs – for sustainable and carefree travelling.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
