

Night Shift Team Leader (100%)

On the night shift, you'll ensure that our Production runs smoothly and that everything is ready for the next morning. Do you enjoy working independently, pitching in where needed and keeping on top of things even at night? Then join our team and support us as a team leader on the permanent night shift.

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- You will lead and train your team in technical matters and ensure that all staff are fully proficient in the relevant machinery and processes.
- You will monitor compliance with quality, hygiene and HACCP requirements, as well as health and safety standards.
- You prepare for Production, check the equipment and ensure order, cleanliness and maintenance.
- You identify faults and quality deviations, take appropriate action and report important incidents to your line manager.
- You coordinate the supply of materials and work closely with upstream and downstream departments, as well as the workshop and logistics.
- You document production and quality controls and assist with the introduction of new products and processes.
- You'll get stuck in and support other Departments.

What you bring with you

- Experience in food production; management experience would be an advantage
- A sense of responsibility, as well as management and teamwork skills
- An independent, structured and solution-oriented approach to work
- High standards of quality, hygiene and safety
- Organisational skills and technical understanding
- Good command of German and clear communication skills
- Willingness to play an active role in Production
- Willingness to work permanent night shifts starting at 00:00/01:00

What we offer

Catering

Culinary delights are very important to us: Freshly prepared salads, soups, tea and fruit are available to our employees free of charge. You can also take home products from the staff shelf every day.

Mobility

Benefit from convenient public transport connections, attractive discounts for public transport and ample parking facilities - sustainable and carefree on the road!

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities such as mentoring and coaching.

Benefits & discounts

You benefit from the Coop staff discount card with a wide range of discounts in retail outlets, speciality shops and supermarkets as well as other attractive services, such as insurance.
