Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Assisting the Electrical Team Leader with administrative tasks, resource planning, and order processing and documentation in SAP
- Acting as deputy manager of the Electrical team in the team leader's absence and supporting staff in their day-to-day work
- Ensuring rapid fault rectification, as well as planning and carrying out maintenance and repair work
- Organising and coordinating electrical installations, external service providers and suppliers, and ensuring the availability of materials
- Ensuring health and safety at work, compliance with statutory regulations and carrying out periodic electrical inspections

What you bring with you

- Completed basic training as an electrician, electrical fitter or industrial electrician, and an interest in further professional development
- Holder of a restricted installation licence in accordance with NIV Art. 13
- Experience in industrial electrical work, as well as a passion for management and support of colleagues
- An independent, reliable and resilient individual with a structured approach to work and a keen interest in administrative tasks (knowledge of SAP would be an advantage)
- Willingness to work shifts and be on call

What we offer

Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
