Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Organisation of staff deployment and absence planning
- Maintenance, servicing and fault rectification on machinery and plant (electrical and mechanical)
- Carrying out repairs and liaising with external parties
- Ensuring the procurement and availability of spare parts
- Further development and optimisation of machinery and plant
- Sharing responsibility for reducing downtime and stoppages

What you bring with you

- Completed basic training as a mechanic or electrician
- Management experience in a similar role
- Assertiveness, a solution-oriented approach and the ability to work well under pressure
- Several years' professional experience in a comparable environment
- Strong organisational skills and the ability to work well in a team
- Good command of German; knowledge of French would be an advantage

What we offer

Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
