

Plant Mechanic (100%)

The technical team ensures that our production facilities operate reliably and safely. To keep production running smoothly, you will resolve faults, carry out maintenance, repair and inspection work, and help to continuously improve our facilities. In doing so, you will always keep quality and safety at the forefront of your mind. Do you enjoy hands-on work and have an interest in technology? If so, we look forward to welcoming you to our technical team!

Bell Schweiz AG

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Identify faults in production plant and rectify them professionally
- Carrying out assembly, repair, overhaul and maintenance work
- Inspect plant and carry out periodic maintenance reliably
- Optimise plant in accordance with the applicable mechanical engineering guidelines
- Document repairs, maintenance, inspections and optimisations via SAP
- Work as part of the maintenance team and cover for one another
- Take on on-call duties and work flexible shifts as required

What you bring with you

- Basic technical training, ideally as a mechanic (EFZ)
- Work experience in facilities management and experience with technical systems
- Knowledge of the food industry and a willingness to work with meat products
- Logical and holistic thinking, as well as an independent and reliable approach to work
- Ability to work as part of a team, flexibility and the ability to make decisions appropriate to the situation
- Willingness to work at weekends and be on call

What we offer

Work-life balance
A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering
Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility
Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities
Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
